52. Senior Surgeon's letter No.G.J. 205-6, dated 3rd Dec... 1927, inviting the opinion of the District Board in the matter of conversion of some of the Malnad Improvement Dispensaries into Permanent Local Fund Dispensaries.

Resolution. The Board are agreeable to the gradual conversion of malnad improvement dispensaries to Local Fund Dispensaries with view to accelerate progress in the provision of Medical relief in the Malnad, and hopes that the Government will also augment their grants to Medical relief in the Malnad Improvement scheme.

The Board agree to the conversion of Nagenhalli and Koyra... Malnad Improvement Dispensaries into Local Fund Dispensaries may be opened and instead, Malnad Improvement Dispensaries may be opened at Madihalli or in its neighbourhood and Karnahalli. For the present the one for Madihalli locality may be opened in the musafirkhana at Hagare.

These conversions are conditional on the transfer of Malnad Improvement Dispensaries as proposed within the District.

Further, it is resolved that the Nagenhalli people may be informed that they have not fulfilled their repeated promises to provide buildings for the Hospital though on their representation even an offer of Rs.4,000/- in cash was declined and that if before March of 1928, they do not provide the building steps will be taken to transfer the Institution to some other place where better facilities may be available.

As regards Ballu Mr. A.V.Nanjundasetti strongly urges that a Dispensary may be started at Ballu and states that the Ballu people are willing to construct type design buildings for the Dispensary and provide free quarters for the Sub Assistant Surgeon, compounder and midwife.

This may be considered at the time of the next budget discussion.
